MORRIS, ILLINOIS, Special Despatch to The Chicago Tribune.

Morris, Grundy County, Sept. 1.

In advance of the hour of Mass Meeting, a procession of the Republicans of Grundy County, assembled for the purpose of hearing a speech from the distinguished General Logan, marched through the principal streets of this city, and at the hour of one proceeded to the Court House, there were two of the Republican Clubs in the procession, one about one hundred and seventy-five and the other about two hundred strong. Each club was preceded by a handsome banner, and the procession presented a very creditable appearance for the country. The procession was followed by the Band of the Chicago & Rock Island Railroad, which discoursed excellent music during the day, and added much to the interest of the occasion.

The procession was formed in front of the Court House, and marched to the Public Square, where the meeting was called to order by Hon. Thomas Gregory, who introduced Gen. Logan, who was received with three cheers and a tiger.

The immediate cause of the meeting was the presence of Gen. Logan, who is making a tour of the State, and by the announcement that he would address them had attracted a large number of persons from the surrounding country, who, added to the citizens of Morris, made a very large audience.

Gen. Logan spoke for two hours and a half, and was listened to with the most earnest attention by all present. He was frequently interrupted by applause, and at the close was greeted with three cheers and a tiger.

The following resolutions were then read and unanimously adopted:

Resolved, That we, the Republicans of Grundy County, in mass meeting assembled, do hereby reaffirm the principles of the Republican party as declared in the platform adopted by the National Convention at Chicago, and we pledge ourselves to support the nominees of that Convention, Ulysses S. Grant and Schuyler Colfax, for President and Vice President of the United States.

Resolved, That we have full confidence in the integrity, ability and patriotism of Gen. John A. Logan, and that we tender him our thanks for his able and eloquent address delivered to us this day.

Resolved, That we tender our thanks to the Chicago & Rock Island Railroad Band for the excellent music furnished by them on this occasion.

Resolved, That we tender our thanks to the Republican Clubs of Morris and Braceville for the handsome manner in which they have conducted the procession of this day.

Resolved, That we tender our thanks to the Committee of Arrangements for the manner in which they have conducted the affairs of this meeting.

Resolved, That we tender our thanks to the Chairman of this meeting for the able manner in which he has presided over the deliberations of this meeting.

Resolved, That we tender our thanks to the Secretaries of this meeting for the able manner in which they have performed the duties of their office.

Resolved, That we tender our thanks to the Republican Clubs of Braceville and Morris

THE JURY BOX DAZED

The Opportunists a month or two ago expected to hammer and pound "Order" into the Republican jury box to drive out Democratic ideas. Democratic ideas were not to be driven out. They were not to be found in the jury box. Democratic ideas were not to be found in the court room. Democratic ideas were not to be found in the prisoner's box. Democratic ideas were not to be found in the witness box. Democratic ideas were not to be found in the spectators' seats. Democratic ideas were not to be found in the lawyers' seats. Democratic ideas were not to be found in the judge's seat. Democratic ideas were not to be found anywhere in the court room. Democratic ideas were not to be found anywhere in the city. Democratic ideas were not to be found anywhere in the county. Democratic ideas were not to be found anywhere in the state. Democratic ideas were not to be found anywhere in the United States. Democratic ideas were not to be found anywhere in the world. Democratic ideas were not to be found anywhere in the universe. Democratic ideas were not to be found anywhere in the solar system. Democratic ideas were not to be found anywhere in the galaxy. Democratic ideas were not to be found anywhere in the cosmos. Democratic ideas were not to be found anywhere in the infinite. Democratic ideas were not to be found anywhere in the absolute. There is a reason why Democratic ideas were not to be found in the jury box. Democratic ideas were not to be found in the jury box because Democratic ideas were not to be found in the jury box. Democratic ideas were not to be found in the jury box because Democratic ideas were not to be found in the jury box because Democratic ideas were not to be found in the jury box because
